## Randolph Elementary School Newsletter

### upcoming events!

### president's letter

**Welcome back for another SUPER year at Randolph Elementary School!** Our PTA has many exciting plans underway for the year. Our goal is to be a RESOURCE for our families and staff by providing enrichment and support to our students. I am amazed by the things that get accomplished, the support we have at our school and the drive of our INCREDIBLE families and staff.

### Look at what we all accomplished last year by working together:

- Sponsored our Annual Field Day
- Sponsored 5th Grade Graduation
- Sponsored Reflections Program
- Sponsored Science Fair
- Sponsored In-School Field Trips
- Provided all the Student Agendas
- Provided Additional Art, Music, PE, Library, Clinic, & Guidance supplies
- Teacher Stipends for Classroom Supplies and Continuing Education
- Funded Reading A to Z Software Program for all Students
- Supported K-2 and 3-5 Garden, Recycling, and Robotics Clubs
- Provided funds toward the refurbishment of the RES Book Room as a teacher resource
- Fitness trail equipment stations were purchased, in connection with a generous grant from Carmax, and installed and landscaped.

An integral part to providing these items is fundraising. We have been able to raise enough over the last year to close out our playground project. These funds are sitting ready to pave the expanded track and add a few more equipment pieces this Fall as soon as the county has approved the specific details of the project.

Our next proposed goal is to be able

to fund 2 special projects requested by our teachers over the next 3 years. A book resource room for the teachers to use for instruction and smart projectors for each K-2 classroom.

With everyone's support it is sure to become a reality! We are hoping that one of the first things on your "to do" list is to fill out the attached membership form for your family. We know that sometimes life is so full that volunteering is just not an option. PLEASE do not let that deter you from joining. We understand and would still like all to join so that we are all on the same page with our events and activities even if you can't volunteer. We look forward to an AMAZING year at Randolph! If you have any questions or suggestions throughout the year please feel free to contact myself or our other board members. (all of our emails are listed on the back of the PTA calendar).

*Have a great start to the new school year,  
Nicole Melton - PTA President*
